

## Midwest Regional Inspection Shop List

### Safety Inspection

A pre-event safety inspection must be completed within 30 days of the event. A number of event sponsors have generously agreed to complete these inspections free of charge, but you must bring the form with you to the shop. An advance appointment is strongly encouraged. Without exception, this form must be completed. **You must provide the completed form at registration in order to participate in the event.**

The Following locations have agreed to perform pre-event inspections. To be courteous you should schedule your appointment well in advance.
